

Advances in Biology & Earth Sciences

Vol.9 No.1 2024

CONTENTS

Vol.9, No.1, 2024

N.R. Amrahov, R.J. Gasimov, M.A. Bayramov, S.N. Omarova, G.S. Aliyeva, R.B. Mammadova, O.O. Balayeva, Z.M. Mammadov (pp.111-123)

Influence of dinitrosalicylic acid on the protective system of cotton seedlings (*Gossypium hirsutum* L.)

G. Abbasli (pp.124-133)

Morpho-cultural and physiological characteristics of bacteria isolated from some thermal springs of the Republic of Azerbaijan

R. Guliyeva (pp.134-145)

Combination of two different C174T and C235T of the angiotensinogen gene mutation and C677T methylenetetrahydrofolate reductase gene mutation in patients with CVD in the population of Azerbaijan

F.H. Rzayev, A.M. Nasirov, O.R. Isayev, E.K. Gasimov (pp.146-154)

Ultrastructural features of the digestive system of the adult helminth *Heterakis gallinarum* Schrank, 1788 (Nematoda: Heterakidae)

M. Karadag (pp.155-160)

Mask for moisturizing skin and body made from cold-pressed paste of peanuts (*Arachis hypogaea* L.)

I.B. Aliyeva (pp.161-167)

Assessment of the impact of oil and oil products on the environment and living organisms

Sh. Alizada, K. Aliyeva (pp.168-174)

Comparative analysis of expression profiles of antiporter encoding gene (*GhNHX1*) under different concentrations of NaCl in cotton (*Gossypium hirsutum* L.)

M. Amirova, A. Taghiyeva (pp.175-183)

Specific biochemical indicators and inflammatory markers in rheumatoid arthritis (RA)

N.T. Guseinova, B.G. Asadova (pp.184-189)

Study of genetic diversity of apple tree in the Gubin region of Azerbaijan

K. Mammadova, K. Aliyeva, E. Hajiyev, I. Huseynova (pp.190-195)

Phytopathological assessment of the infection of grape genotypes with oidium disease in a natural background

K. Miryusifova, G. Malikova, A. Allahverdiyeva, N. Huseynova, A. Umudlu (pp.196-202)

The saffron effects on the dynamics of experimental epilepsy

A. Mammadova, A. Suleymanova (pp.203-208)

Criteria for the separation of low-soil taxon of arid zone soils of Azerbaijan

Z.G. Melikova, E.I. Akhmedov (pp.209-215)

Dynamics of some hematological parameters depending on the age of pheasants (*Phasianus Colchicus Colchicus*)

U. Gashimova, R. Guliyeva, K. Javadova, A. Ibishova, E. Panakhova (pp.216-222)

Effects of curcuma longa on memory correction in experimental olfactory bulbectomy rat models
